Purpose
Grants for Elite Performance are designed to encourage all Children to strive for excellence, to provide recognition for elite performance and to assist families by proving a financial benefit.

Scope
This Grant Program applies to all students of Berserker Street State School. Grants are for School based events and competitions which are sanctioned by the Queensland Education Department. The scope applies to Music and the Arts, Academic and Sporting achievement.

Eligibility & Limitations
The minimum requirement is that a student *competes in a State competition* to be eligible to apply for a Grant. The eligibility must be endorsed by the School Principal (or delegate).

A student is eligible to receive only one grant per year relating to a specific achievement. A student is eligible to apply for more than one grant per year where the student makes multiple achievements.

Example
- A student who represents the Capricornia District at a school based State Competition and then goes on to represent Queensland at a National competition is eligible to apply for individual grants for each achievement.
- A student who represents Capricornia *for the same Sport* at two Carnivals in the same Calendar year will only be eligible for one grant.

Value of Grants
The P&C reserve the right to vary the Grants provided to students. The nominal value of Grants will be $150 for District Representation/or where competing in a State Competition, $500 for State Representation/or where competing in a National Competition, and $1000 for National Representation.

Applying for Grants
Application for Grants should be made in writing by the Students Parent or Legal Guardian and must be endorsed by the School Principal (or delegate).

Approval of Grants
Individual grants applications will be considered by the P&C at a General Meeting. Approval of the grant application by the P&C is discretionary. All students are expected to conduct themselves appropriately when participating in a school based event.

Payment for Grants
Payment will usually be made after the Student has participated in the event however the P&C reserve the right to vary this policy. Payment will normally be made by cheque to the Grant Applicant.

Duration of Grant Program
This Grant Program shall be active for the entire 2015 Calendar and is retrospectively applicable to all achievements in 2015. Grant applications must be received before 5pm 6th December 2015. The program is approved only for 2015 however the P&C intend to implement similar programs in the future if the program is successful and viable.
